

Sacred Heart of Jesus

As Holy Cross Priests, we ground our model of priestly charity in the Sacred Heart of Jesus - that heart pierced by the soldier's lance in the final proof that Jesus offered all, every last bit of His life for us. In imitation of Him, we also seek to offer all in ministering the Sacraments and preaching the Good News.

Our Lady of Sorrows

Mary, Our Lady of Sorrows, is both the patron of Holy Cross Sisters and the special patron of the whole family of Holy Cross. In selecting Mary under this title as our principal patron, Blessed Basil Moreau gave us a patron who, better than anyone else, could instruct us in our spirituality and mission to proclaim the Cross of Christ as our only hope.

Saint Joseph

Saint Joseph embodies the virtues for which all Christians, but especially we religious, strive, including integrity, fortitude, fidelity, and sanctity. We seek to live our vocations as Holy Cross brothers with the same loyalty, faithfulness, and generosity that Joseph showed in his vocations as the husband of Mary and the foster-father of Jesus.
